ESTATE PLANNING WEB SITES

- [ABA's Section of Real Property, Probate and Trust Law](#): This section of the ABA site has a lot of good, current information, articles and links. The site also has information on Continuing Legal Education programs. [CLICK HERE](#) to read public information about estate planning, probate and administration of estates, transfer taxes and tax planning for your assets, and disability planning.
- [Crash Course in Wills and Trusts](#): Sponsored by the Castleman Law Firm in California, this site has plenty of good basic information on estate planning. It is updated regularly and has a wealth of articles and links.
- [Elder Law Section of the New York State Bar Association's ElderLinks](#): This section of the New York State Bar Association's web site has tons of links for issues from estate planning to medical insurance. It's a good resource to offer clients.
- [National Association of Financial and Estate Planning](#): The site provides information on general estate planning, charitable giving, asset protection, capital gains tax deferral and general business planning.
- [Internet Law Library: Trusts and Estates](#): A very good legal resource. It is what it says it is - a law library and then some. There are good links to other legal resources, back
